

# Welcome to Mustang Tales October 2009

- Magrill Elementary Library Wiki

The place to go for all your library information.

## What's Happening in October?

- Book It! program begins
- The Book It! Program is celebrating its 25th anniversary this year and has a great website available for you to help promote this traditional reading incentive program. <http://www.bookitprogram.com/>
- **Reading Bluebonnets Award books**
- Magrill's goal is that 100% of our students are qualified to vote for their favorite book in January. This year's list includes several quick reads that I am holding for teachers. Stop by and check one out to get your class ready to vote. Remember it's READ 5, THEN DECIDE. The first 3rd or 4th grade teacher to read this and check out a Bluebonnet to read to their class can select a free poster. Check out the information in the [Everything Bluebonnet](#) section of this wiki.
- **The library metamorphosis**
- I apologize for the messy condition of the library while we are doing away with the old Reading Counts section and preparing for Accelerated Reader. We will do our best to find any materials you request, but it may take a little longer than normal. If you have any volunteers that would like to help us out, send them to the library.
- **Accelerated Reader training**
- Training will be scheduled as soon as the STAR test has been taken and we have results. As of Oct 7, 2009, it is not yet activated.
