

## Welcome to Mustang Tales November 2009

- Magrill Elementary Library Wiki
- The place to go for all your library information.

### November News

Accelerated Reader is up and running. Watch the [AR Page](#) for helpful tips as we learn how to use this new program. Students have taken the STAR test and are anxious to start taking quizzes. There have been some difficulties getting AR labels printed for the books, but as soon as they are, we will be having a

## ***LABELING PARTY***

### ***JUST SOME REMINDERS***

If your students are finished with their books before rotation day, send them in with a pass to check out new ones, or you can bring the entire class in. It only takes about 15 minutes.

Do you need to refresh the books for your classroom library? I can set you up with a special classroom account so you can rotate new books to your classroom as often as you need to.

Rotation time is 55 minutes, which means students should be picked up 5 minutes before the hour, except for 1st grade, which is picked up at 9:40. We are always here to accept your class, please be here to pick yours up at the correct time so we may prepare for the next group.

### ***STORYBOOK PUMPKINS***

*Thanks to Cindy McCune for sponsoring the Storybook Pumpkin contest. They were great!*
